Robert Mahoney | Member

Bob Mahoney is a Member in the firm's management committee and the former Chair of its Litigation Department for the New Jersey and New York offices.

Bob is a trial attorney who has tried many cases in the state and federal courts over the last 25 years. He has been lead counsel in numerous matters in the federal and state courts of New Jersey, as well as federal courts in New York, Delaware, Virginia, Pennsylvania, and Ohio. He has also arbitrated many significant matters in several forums when the parties have elected to pursue arbitration rather than trial. In addition to his trial experience, Bob has argued cases before the Appellate Division of the New Jersey Superior Court, the Supreme Court of New Jersey, and the United States Court of Appeals for both the Second and Third Circuits.

Over the course of his career, Bob's cases have involved a wide variety of commercial cases, including intellectual property, patents, trademarks, environmental cost recovery and insurance coverage, e-commerce and information technology, trusts and estates, dissolutions of closely-held businesses, real estate and condemnation, professional negligence, and a whole range of other typical business disputes.

Utilizing his litigation experience, Bob often counsels the firm's clients in various business transactions in order to eliminate or reduce the risk of litigation.
