

In honor of National Healthcare Decisions Day (April 16)

COYL task forces across the state are planning community events throughout April...

Please join us at Bergen County's COYL signing events, featuring local community leaders and task force members from legal, medical, practical, emotional, ethical, or spiritual aspects of advance care planning who will guide you on how to approach family, friends, caregivers, and doctors to start the conversation about what you value in life.

These events are FREE.

Open to adults of all ages.

Please invite neighbors, friends and family.
